

MANAGEMENT

Gabriel Muñoz is an experienced soccer player, coach, and referee. He has been involved with fútbol for the past 25 years at many levels. He was a member of the St. Vincent Aztecs for 13 years (1980-1992), the Dallas Comets for 2 years (1988,1989), the North Texas State Team for three years (1988,1989,1990), the United States Region 4 National Team for three years (1988,1989,1990), and the pool team for the United States U-15 National Team in 1990. He was awarded a full scholarship to Westpoint Military Academy to play Division 1 Soccer as a Blue Chip Athlete and played at Hardin Simmons University for 2 years. Unfortunately, two ACL tears in his right knee ended his playing career. He has coached recreational and select youth teams throughout the past 15 years. He comes from a huge family of devoted soccer players, coaches, and fans. He has a loving wife and two beautiful children that all enjoy the greatest game on Earth. Experience, Passion, and Dedication are the focal points of administration for the success of Aztec Indoor Soccer. This facility is managed by a true player, coach, referee, instructor, and fan of fútbol.

Heather Muñoz is now a resident of San Antonio, Texas. She has been in charge of bookkeeping for several businesses in West Texas. She is the mother of two wonderful children and a loving wife. She coaches two youth soccer teams, was head of a volunteer program for the Abilene Independent School District, and has run a small business for the past two years. She is a community speaker that deals with stress and people very well. Her experience in sales, marketing, and bookkeeping will be a vital asset for the success of Aztec Indoor Soccer. Heather is accustomed to being a very busy woman. She has always been very competitive and was a member of the Texas high school state championship 800 meter relay in 1994. She has played soccer all of her life and was, ironically, coached by her husband's father as a child. Soccer runs deep in this family.
